President - John Blehm

Our Board of Directors has voted and I've placed our 2021 Ameraucana National Meet with the Central Indiana Poultry Show, at the Boone Co 4-H Fairgrounds, Lebanon, Indiana, on Saturday, October 16th. Jeffrey Sonsalla and I will organize and coordinate our meet. If you plan to exhibit chickens at this meet, now is the time to start planning your hatches and travel plans. Whether or not you enter birds or eggs into completion, please try to attend.

Our members have voted and our Board of Directors, as of January 1st, 2021, will be Rebecca G Howie, Michael Muenks, Michelle Muldowney-Stevens, Janet Tipton, Royce Van Blaricome and Mindy Waters. I will continue as President over the next two year term and I look forward to working with them.

Thank you to our current Directors, Jeffrey Sonsalla, Monique Mankin, Rebecca G Howie and Russell Blair for their service over the past two year term that ends on December 31st. Steve Neumann resigned from office in November. We thank him for the time he served our Alliance as Director of Membership.

I still have about ten 4" diameter club logo patches featuring a blue wheaten male. They are somewhat dated, since we now have a new logo with a wheaten male. We've lowered the price on these to move them out to \$1 each, plus postage. Contact me for more information.

If you haven't paid your Alliance dues for 2021, PLEASE do it before the end of this year. You'll not only avoid a lapse in membership by renewing, but save work for us officers so we don't have to remove you from our membership list and then add you back if you rejoin after the 1st of the year. It is very simple to renew on the Join page of our Ameraucana.org site and there are drop down options, on the PayPal buttons, to pay for up to 3 years in advance.

Our Ameraucana National Meets in Michigan and Missouri were great! These private, backyard Ameraucana only nationals for our members and their families are history now, but they won't be forgotten. Comments

Ameraucana Northern National

were all positive. The original signed and dated bantam wheaten male portrait, by Rusty Hart, went to Jeff Sonsalla with the winning bid! For many national meet photos and details please check out the topics under our "[Exhibiting, Promoting & Club Notes](#)" subforum on our Ameraucana Forum.

Director - Russ Blair

Most of you have figured out by now I chose not to run for a position on our board this term. I would like to take a moment to give thanks for the opportunity to serve our club these past 4 years. It has not only been a great learning experience, but truly an honor as well. It looks like our board will be in good hands again and I wish all the new and returning directors well. It truly is our members that make this such a great club and holding elected positions are a great way to give back and guarantee our club's success in the future.

For those who might not have heard, I had an accident the night before I was to leave for our southern national. It left me with a fractured calcaneus (heel) that required 10 screws and a plate to reset. I was truly saddened by my misfortune and inability to attend the National at the Klaus farm. I found myself hanging on to every live feed and updated post made by various members on our open Facebook group. It looked like a great time was had by all who attended it and it was well set up by Wes and Sherry. I am sure someone who was there will give a nice report on it, so I will just add a big thank you to Wes and Sherry Klaus for being so generous to host it for our members and club to enjoy.

Judge's comments at our Ameraucana Northern National

I was able to attend our Northern National at John and Kathy Blehm's farm. It was probably one of the finest and enjoyable meets I have ever attended. Being a smaller venue really gave everyone time to talk, visit and enjoy the fellowshiping that I truly enjoy about our National Meets. I was impressed by the set up and preparations John, Kathy and their family made to facilitate it. We were not only blessed with great food, but great weather as well. We had a very special guest show up, Donna Townsend, to hand out the Neil Townsend awards for white and wheaten bantams. It truly was a show that I will remember for the rest of my life. Thanks again John and Kathy for hosting it and all your hard work.

It looks like our 2021 National will be hosted by the Central Indiana Poultry Show October 16, 2021 at the Boone County Fairgrounds in Lebanon IN. So be sure to plan your hatches accordingly to ensure your birds are in peak condition. I just had my Uncle and eldest son over this past weekend to help me finish sorting out my grow out's and I have started my breeding plans. The only good thing about breaking a heel bone and being out of work for 8 weeks minimum is I have plenty of time to dream and plan. So hopefully I should have plenty to bring and keep everyone honest.

So, let us say good riddance to 2020 and welcome 2021 with optimism and faith all will be well. Thanks again for allowing me the opportunity to serve and seriously think about attending our 2021 National Meet. I promise you will not regret it, the friendships and memories made are worth more than any ribbon or plaque. Until next time, take care and God bless you all.

Director - Becky Howie

The chill of fall is here, promising the cold of winter is not far behind. Thankfully today is lovely, just cool enough to get outside and do some neglected yard clean up. The summer was hot and dry here, and I had to put some fans up in my runs just like I did in Florida.

The 2020 Southern Ameraucana National at Sherry Klaus farm was a success, thanks to Sherry and Wes Klaus's hospitality. Their efforts were above and beyond expectations. Lisa and I arrived early to help with setup and finishing touchups. Everyone who attended had a great time, showing off their Ameraucanas and socializing (at a distance) about the past year and plans for the next.

As the year draws to an end, I want to personally thank the members of the Board of Directors for their service to the Alliance during the past two years, John Blehm, Stan Adler, Russell Blair, Monique Mankin, Jeff Sonsalla and Steve Neumann. It has been a pleasure working with them over the past 2 years. I will remain as a Director and I want to welcome our new appointees aboard and look forward to working with them over the next two years.

I began rearranging a room to hatch in and thinking about which of my flock I will put in the breeding pens soon. It has become a yearly ritual most of us go through with anticipation. Making those choices and then waiting for the results keeps me on my toes as much as keeping up with my grandson when he explains Minecraft to me.

With the Holiday season upon us, I wish good health to everyone and a New Year with less drama and turmoil going forward.

Rebecca Howie at our Ameraucana Southern National

Director - Monique Mankin

While taking the time to reflect over the last 2 years, it was surprising at how fast it went and how much the world and I have changed. I am thankful to the board and to the members for giving me the opportunity to serve. It has allowed me to grow as an individual and as a poultry breeder. In return for that opportunity, I strived to bring value to the Alliance by providing

thoughtfully composed quarterly newsletters to its members. I look forward to seeing what new faces to the board will contribute to the club and how the organization will continue to grow.

I wish everyone the best this holiday season and forward. May you and your loved ones stay healthy. At the end of the day, that is all that really matters in this crazy world.

Winter is coming. It has been an interesting year with Covid-19 affecting most of it. The unfortunate canceling of so many poultry shows and social events has kept many people isolated.

Luckily for the Ameraucana Alliance, we had amazing members who stepped up and volunteered their time, labor and even their homes/farms allowing us to have our Ameraucana Nationals. Thank you, John & Kathy Blehm and family, and all who made the Ameraucana Northern National possible. Thank you, Sherry & Wes Klaus and family, Lisa Helms, Becky Howie and everyone that organized our Ameraucana Southern National. I was able to attend both and had a wonderful time at each. They will be fond memories.

Ameraucana Southern National

I have been pleased with my Large Fowl Wheaten / Blue Wheaten and Bantam Buff from Wheaten (Mama) projects. Mike Gilbert and I were able to hatch out and grow numerous offspring from the one pair of LF Blue Wheaten we had available to start with. From these we were able to keep enough quality pullets and cockerels to increase our numbers for this next hatching season. Some of these youngsters were also shown at our Nationals. We are still working on the blue egg gene from the original LF Blue Wheaten pair since they are not pure, but that will be selected for in future generations. Mike Gilbert was able to acquire a couple of Large Fowl Wheaten Roosters from Barb Campbell to add to and improve our genetics. Thank you, Barb, for your kindness. It sure is a pretty site seeing ten LF Wheaten, Blue Wheaten and Splash Wheaten pullets flocked together.

The seven bantam Buff / Wheaten pullets I saved back look remarkably buff in coloring with only small amounts of uneven color, shafting or black in tail or wings. I was even able to show one at our Southern National. I am looking forward to the next generation of bantam Buffs.

Now is the time to settle in for winter, as well as getting the breeding pens ready for the next hatching season. There is a special feeling seeing the Ameraucana in the breeding pens that were hatched and raised at your own place.

Unfortunately, with Covid-19 canceling many shows there were no ribbons to send out last quarter. If anyone has not received their ribbons or if they wish to not receive ribbons in the future, please contact me at myhometownvet@gmail.com or (608)738-8701.

The Ameraucana Nationals were truly a lot of fun. I recommend all members to try and make it to them in the future.

Wishing everyone a quiet winter, a Merry Christmas and a successful hatching season in 2021.
