

Ameraucana Lifetime Achievement Award policy

6/5/2019

The idea for the “Ameraucana Breeders Award” was conceived by Don Cable and instituted, in 2001, at our National Meet, in Galax, VA. By 2004 the award was renamed the Ameraucana Lifetime Achievement Award and a member has been honored with it each year.

This policy requires any member considered for the award to have been a member for at least ten years. Each year the President will ask Board members and VPs to submit names of members they feel should be considered for the award based on the member’s achievements that fit with our mission statement...*“an alliance of folks focused on the promotion of standard bred Ameraucana chickens and positive support for those interested in standard bred Ameraucana chickens”*. The President will decide on one member to receive the award for that year, have a plaque forwarded to the honoree and recognize them in our Newsletter.
